

GIR Researcher on Scientific English Writing

# Research Ethics and Techniques in Writing and Submitting a Paper

Dr. Roland Neil Perry  
Department of Biological & Environmental Sciences,  
School of Life and Medical Sciences  
University of Hertfordshire, U.K.

## Summary:

The presentation will cover basic aspects associated with writing a research paper for an international journal. It will also briefly discuss the ethics that should be followed in writing and submitting a paper, and how to respond to reviewers' comments.

**May 20 (Mon) 2019, 13:00-16:15**  
**KOGANEI, Leading Seminar Room,**  
**BASE 2nd floor**
